

PAYMENT POLICY

You shall be directed to our payment aggregation partners (“Payment Aggregator”) once you proceed to make payment of the Fees. Once re-directed to the Payment Aggregator, you agree to be bound by the terms and conditions and privacy policy prescribed by the Payment Aggregator, basis which, the transaction shall take place.

- i. Aurolab shall not be liable in any manner whatsoever, if incorrect or inaccurate details (including those concerning credit or debit card(s)) are provided by you for making the payment of the Fees or if you use a credit or debit card which is not lawfully owned by you or if you permit a third party to use your password or other means to access your bank account or credit card or debit card. Please note that neither you nor our Payment Aggregator will be monitoring your use of any payment channel and you are required to use the payment modes at your sole option and risk.
- ii. Our Payment Aggregator may block any card number, account numbers, group of cards or transactions from any specific blocked or blacklisted customer cards, accounts, group of IP addresses, devices, geographic locations as deemed fit.
- iii. Our Payment Aggregator and banks reserve the right to reject payments with respect to any order including for suspicious and unlawful transactions, potential or actual fraud, suspicious activities, card authentication and authorization issues, over payment made due to mathematical errors or any other issue.
- iv. Aurolab shall keep the financial information as referred to in the Privacy Policy confidential at all times and shall not utilize and share the same with any of the third parties unless it is a third party website consented to by you and / or required by law, regulation or court order.
- v. Aurolab shall not be liable for the rejection of any authorization request placed by you for payment of the Fees, by any bank, payment gateway or payment aggregator or other relevant third party, for any reason including but not limited to risk management, suspicion of fraudulent, illegal or doubtful transactions, use of blacklisted/banned cards or pursuant to applicable laws, rules or regulations or any instructions from (or contained in) any guidelines or instructions by the Reserve Bank of India or any internal policies, etc., of such bank, payment gateway or other relevant third party.
